

Warranty: QuickLink

Warranty: Five (5) Years

Compsee, Inc. (**COMPSEE**) warrants that its products will be free of defects in workmanship and material for a period of five (5) years from the original shipment date when subject to normal use and service. The warranty is extended to the original end-user owner of the equipment. This warranty does not cover any **COMPSEE** equipment which is

- (i) improperly installed or used
- (ii) damaged by accident or neglect, including failure to follow the proper maintenance, service and cleaning schedule
- (iii) damaged as a result of
 - (A) modification or alteration by the purchaser
 - (B) excessive voltage or current supplied to or drawn from the interface connections
 - (C) operation under conditions beyond the specified operating parameters
 - (D) repair or service of the equipment by anyone other than **COMPSEE** or its authorized representatives.

In the event of failure of equipment covered by this warranty, **COMPSEE** will repair such equipment returned (at customer expense) to its factory at Mt. Gilead, North Carolina, USA, within 5 years of original shipment date, provided that inspection by **COMPSEE** or a **COMPSEE** Authorized Independent Service Facility determines to its satisfaction that the equipment was defective due to defects in materials or workmanship. **COMPSEE** may, at its option, replace the equipment or subassembly in lieu of repair. Defective equipment, returned within five years of the original shipment date, will be repaired or replaced without charge, except for return shipping to **COMPSEE**, unless the failure was caused by misuse, neglect, accident, abnormal operating conditions, improper modification or alteration of the equipment, or repair or service of the equipment by anyone other than **COMPSEE** or its authorized representatives, in which case the repairs will be billed at the material and labor rates prevailing at the time of repair. In such case, a not-to-exceed repair estimate will be submitted before work is started, if requested.

No products will be accepted by **COMPSEE** or its Authorized Service Facilities without a Return Materials Authorization, which may be obtained by contacting the factory. In the event that the defective product cannot be repaired or replaced within a reasonable period of time **COMPSEE**'s sole obligation under this warranty shall be to refund the price paid, less tax and transportation.
